# Guiding Principles for the Provincial Championships

The following statements should serve as the bottom line for decision making in the application for and the organization of Provincial Championships:

- Best teams in the province are in attendance;
- All teams have equitable opportunity to participate;
- Special, exciting, different from other tournaments;
- Developmental benefits – LTAD appropriate;
- Accommodate as many teams as possible (CRC format);
- Net benefit to associations to host (financial or otherwise – leverage for publicity and recruitment).

## Benefits of hosting Provincial Championships

Hosting Provincial Championships should be rewarding for an association. When done well, hosting can:

- Be an opportunity to promote Ringette in general and your Association in your community;
- Rally your community around this mobilising event and foster a sense of belonging;
- Contribute to the development of organization and leadership skills for your volunteers;
- Create interest for other activities your association runs during the year: Come Try Ringette, tournaments, summer camps, etc.;
- Stimulate the local economy and potentially raise money for your association;
- Ultimately, Provincial Championships are the highlight of the season. By hosting you take part in providing this rewarding experience for which many athletes worked for most of the year.

# REQUIREMENTS

In order to ensure Provincial Championships are held to the highest standards, Ringette Alberta has created the following requirements. Bidding committees should read and understand these requirements before proceeding with their bid. These requirements will help create a solid foundation for hosting the Provincial Championships. With this foundation in place, Bid/Host Committees will have considerable room to create and innovate to develop a better event with greater benefits for all involved.

These requirements are intended to be clear enough to give specific direction to Bid Committees. What cannot be captured in requirements of this type is the need for our hosts to rise to the level Provincial Championships deserve.

## Facilities and Equipment

### A. Ice Requirement

In [Appendix A](#) is a detailed overview of the ice requirements for each Provincial Championship division.

PLEASE NOTE: The breakdown does not include the necessary allotment of 15 minutes for flooding. When providing ice availability, please calculate 15 minutes after each game for a flood.

The amount of ice time required for Provincial Championship will be finalized by February 1, and a final schedule will be completed at least 10 days prior to Provincials. AA Provincials rely on the number of teams at each division, so are subject to change each season. Schedules will be sent out at that time.

Guidelines for ice:

- Each team must have a minimum break of three (3) hours from the start of one game to the start of the next game. If teams must travel to a different location, the schedule should provide extra time to allow for travel and rest between games.
- Game times should be reasonable and accommodating of the age division participating. Games should not start before 7:30 am in the morning and should start no later than 9:00 pm at night, whenever possible. Ideally, teams should not play the early game on both days of the round robin.

### B. Ice Markings and Equipment

- Ice markings will be as per Ringette Alberta's rulebook.
- The Organizing committee will provide two (2) rings for every game (the quality of the rings will be at the Officials' discretion).
- The schedule and draw board will be displayed in lobby of main arena.

### C. Rooms

The Organizing committee will provide the following rooms:

- Private meeting room to conduct Coaches Meeting and for Protest and Grievance Committee to use if required;
- Officials' dressing room.

# Human Resources

The following will be provided by Ringette Alberta:

- RAB Representative (provided by Ringette Alberta);
- Officials Supervisor (assigned by Ringette Alberta);
- Protest and Grievance Committee (made up of RAB Rep and Officials Supervisor).

## D. Host Committee

The following will be provided by the Host Committee:

- Organizing Committee - See also [Appendix B](#) for details on roles and responsibilities.
- One person assigned as Liaison to Ringette Alberta;
- Two (2) First Aid trained volunteers at the rink at all times;
- Minimum of two (2) to three (3) Minor Officials per game (for quarter finals, semi finals and finals);
  - One to do the shot clock;
  - One to do the game sheet and score clock / one to do the game sheet and one to do the score clock.

# Finances

## E. Budget

It is difficult at this time to precisely provide details on finances regarding the Provincial Championships. Host Committees are invited to make Provincials as big and prestigious as they want by adding fundraising and social events. Also, your budget will depend on the size of the Championship you are bidding for, as well as where you are located in Alberta (price of rentals and services may differ greatly).

That being said, the following is a breakdown of financial responsibilities:
